TRIPS 

Simply Scuba's ANNUAL Florida Keys, January 13 to 19, 2008

Simply Scuba is headed back to the Keys! We are currently making plans for our annual trip to the Keys to shake off the winter blues with some warm water diving in Key Largo and Tavernier Key. We dive wrecks, Spiegel Grove, Duane, Bib, Eagle...we dive reefs, Crockets Reef, Christ of the Abyss, Pickle Barrel...and many more.

This trip is not just for Scuba Divers, family members, couples and singles are also welcomed. It is a water sport paradise... snorkeling, jet skis, swimming, sun bathing and shopping... you can even swim with the dolphins, feed sharks, and take that million dollar underwater photo you've dreamed of and more.

Based on 10 divers, this 7 day 6 night trip includes; Hotel accommodations and seven 2-tank dives with Captain Slate. Also included is shared use of rental vehicles with transportation to & from the airport and a special trip to visit Key West. An additional 2-tank trip is planned to the wreck of the City of Washington for a special Shark encounter and critter feed. We will also visit the famous Christ of the Abyss. Of course we couldn't leave out a dive on the Spiegel Grove for a total of fifteen dives*.

A complementary BBQ dinner night (Chef Bob will grill your favorites) and a Pizza night will be provided by Simply Scuba. We will also be saving an afternoon for a road trip to Key West for shopping and a magnificently romantic sunset...

Trip fees: \$999 Per Person Double Occupancy without airfare (typical airfare from Providence to Ft. Lauderdale is approximately \$250)

* Night dive just added for the truly diehard diver at NO additional fee
